Our Vision.

We want to actively shape German-Canadian relations in the present and for the future,

- promote mutual understanding through intercultural exchange.
- integrate stays in Canada into school and vocational training.
- ensure stable German-Canadian business relations.

Our Spectrum.

We aim to provide suitable offers for civil society and our members in different life situations and act as

- arena for intercultural exchange:
 - Initiator of regional formats and collaborations
 - Contact for Canadians living in Germany
- Non-profit-organization in the education sector:
 - Initiator of the School Exchange Partner Network
 - Operator of the Work & Travel Program
 - Provider of the Internship Program
 - Partner of Canadian universities for internships in Germany
- Platform für professionals:
 - Organizer of the Young Transatlantic Leadership Program (YTL)
 - Initiator and idea generator for the Forum @ Kanada Haus conference

Our Unique Selling Point

- 60 years of experience as an organizer of successful exchange programs
- Umbrella organization and strategic integrator of numerous German-Canadian initiatives
- Established actor and experienced player in the concert of intercultural organizations in Germany
