

Deutsch-Kanadische Gesellschaft e.V.

ENRICH YOUR CORPORATE CULTURE!

Our Internship Program at a Glance.

Our Services.

Since 2012, the DKG, a German non-profit organization, facilitates the exchange of advanced students between Germany and Canada. In this capacity, the DKG

- o undertakes the recruiting and pre-screening of candidates through personal interviews
- o arranges (digital) interviews between candidates and employers
- o facilitates work permits and the obtaining of a SIN
- o remains point of contact for employer and intern throughout the candidate's entire stay.

Our Representative in Toronto is at hand to further explore the ways and means of expanding our collaboration.

The Candidates.

Target group	Advanced students, e.g. usually with a B.A. degree
Fields of study	<ul style="list-style-type: none">o Economics (with a major in marketing, finance, international business administration, human resources project management, business development)o ITo Engineering (incl. industrial engineers) ando Articling students (post graduate students in law with their first state examination)o Other fields of study at employer's request
